

## A circular black and white stamp. The text "OIP" is at the top, "IAP3" is at the top right. The date "MAY 02 2006" is in the center. The text "OFFICE OF INTELLECTUAL PROPERTY" is written along the bottom curve of the circle.

This diagram shows an exploded perspective view of a mobile terminal assembly. The assembly includes a main housing (10) and a cover (20). The main housing (10) is shown in an exploded state, revealing its internal components: a base (11), a middle frame (12), and a top frame (13). A display unit (21) is shown mounted on the top frame (13). The base (11) includes a camera lens (14) and a microphone (15). The middle frame (12) includes a speaker (16) and a vibration motor (17). The top frame (13) includes a touch panel (18) and a proximity sensor (19). The cover (20) is shown in an exploded state, revealing its internal components: a back cover (21) and a side cover (22). The back cover (21) includes a camera lens (23) and a microphone (24). The side cover (22) includes a speaker (25) and a vibration motor (26). The assembly is shown in an exploded state to illustrate the relationship between the various components.
